*"The first time I saw him, it was just Shawn and a guitar in a small room and he was drawing that music out of every fiber of himself. It was obvious to me that he is a world-class singer, writer and musician all wrapped into one."*

- Waylon Jennings

*"Shawn Jones was born with a blues voice, you can't teach or learn understanding, it's there or it's not ... (he is) undoubtedly a wonderful singer and a truly superb guitarist, but he is more than that - in his music he is an open soul."*
